

USEEJ9 - FLE - French as foreign language

Présentation

Prérequis

This course is available to students who are registered on a course at the CNAM and for whom French is not their first language. (International Masters courses taught in English; ERASMUS students registered on a diploma course at the CNAM, migrants and CNAM personnel).

Objectifs pédagogiques

To give students the requisite language skills to complete an internship or period of work experience in France

To help students to fit into their immediate environment (Cnam, Paris, France)

Compétences

Levels covered: from complete beginners (A0 in the CECR) to intermediate (B1-B2 in the CECR)

- All the core language skills are developed, both reception and production, written and oral.
- You will gain intercultural knowledge and insights into French society

Programme
